Sponsorship Opportunities

Dear Friends,

Since 1986, the Fulton Education Foundation (FEF) has donated millions of dollars to help thousands of children learn to read, discover the miracles of science and bring learning to life. We have funded teacher grants, worked with programs for special needs students and supported the arts. Proceeds from the 2012 "Fore" Kids Golf Classic will be used to promote student achievement, enhance the physical well-being of children, support and develop teachers and enhance training methods as well as to provide teacher and staff recognition. Please join us as we continue supporting Fulton County Schools (FCS)—where students come first.

Golf Committee
