Important Information About Completing Missing Assignments

February 4, 2021

Greetings to Roswell High School Parents and Students,

Spring semester is well underway at Roswell. In fact, the first 6-week grading period ends on February 18, 2021.

This semester we are strongly encouraging students to submit missing assignments from the first six weeks by February 18. We will have a similar expectation the 12-week grading period.

The reason for this deadline is to help students avoid being in a situation where they are making up an overwhelming amount of work at the end of the semester. Please check the parent portal in Infinite Campus and identify any outstanding assignments with a score of "1". This is an indication that the work has not been completed.

We have developed the schedule for "Extended Wednesday" to give students, both online and in school, the chance to get these assignments completed.

Please let the appropriate teacher know if you have any questions.

Thank you for your help and support.

Sincerely,

Robert
