Curriculum Nights—Successful Curriculum Nights –Parents; thank you for an excellent turnout on our Curriculum Nights. I hope that you know how much we depend on you to help your child be successful at RN. Your child's teacher has shared with you the standards your child will be working on this year and they will do their very best to make sure each child reaches his/her full potential.

If you have any questions regarding class routines, curriculum matters or school policies in general, I am asking that you always communicate with the teacher first. I will do my best to make sure your child is supported and I ask that you also support the school and staff.

Lunch with your child—You will be allowed to eat with your child beginning next week. Please remember however that per the Fulton County Food and Nutrition Office, outside food vendor's food items (Burger King, Chic-Fil-A, McDonalds, etc.) are not allowed in the cafeteria.

Bus Transportation—Transportation has informed us that they will be making some minor adjustments to their routes and this may affect the afternoon arrival time of your child. The times should be hardly noticeable. These new times will become effective next week.

Remembering 9/11—As we all recognize and honor the tenth anniversary of the events of September 11, 2001, we ask that you dress your children in red, white and blue on Friday, September 9th. While our children are young, we want to take this opportunity to talk of patriotism, heroism, and service. I'm sure you'll agree that it is never too early to be proud of the United States of America, the country we all call home.

Tutors Needed—RNE is looking for people to tutor 5th graders in math -- and you don't have to be a rocket scientist to do it. You can work with a child once or twice per week, before or after school, we're flexible! No skills required -- just a desire to help. Training and tools will be provided. Orientation Meeting on Thursday, October 6, 7:30-8:30am. Email Nan Cooper at coopernm@bellsouth.net for a background check form so we can get started.

Calling All Dads — Roswell North Dad's Club is hosting a Breakfast /Meeting on Tuesday, Sep. 6th. We want all our Dads to get involved in our wonderful Dad's Club. On that morning, please walk your child to class and watch the morning announcements. Then proceed to the cafeteria for the breakfast meeting.

New to Roswell North Elementary this year? If so, you are invited to the upcoming Newcomers' Tea Wednesday, September 7th at 9 a.m. in our cafeteria. This event gives you the opportunity to learn more about our wonderful school and what you can do to get involved.

Media Center News— Have you seen lots of requests to volunteer? Not sure what to choose? Afraid of getting in to something you're not sure about? We have a suggestion! Consider volunteering in the Media Center! We have flexible times, a few minutes or a few hours! Meet your child for lunch and then volunteer with us or come in the afternoon and have your child meet you in the media center and then ride home together. Benefits! Get to know your child's classmates and friends, RNE staff members, other RNE parents, work with fun media people, LOTS of student helping opportunities! This a good place to get a bird's eye view of RNE and give yourself the time to meet people and learn about volunteer options - including the media center. Interested? Contact Martha Powell: powellm1@fultonschools.org or Meredith Gartner: megartner@aol.com

If you'd like to volunteer in the media center, or just find out a little more about us, please come to our Volunteer Informational Gathering on Friday, September 9 at 9:30 in the Media Center. Please let us know if you can come by contacting either Martha or Meredith.

The Innisbrook Fundraiser will be extended until next Friday September 9th. We are just over 30% of our \$22,000 goal so make the most of the Labor Day weekend and SELL, SELL, SELL!! Remember the top 3 students and top grade level sellers will get cash prizes!! To sell to your out-of-town relatives and friends, log on to the EZ website at www.innisbrook.com and click "Send Emails to Family and Friends" to send them an Innisbrook e-mail that contains a link to the online catalog, the school code 102305 and your registration number. You need both of these numbers when they order to get your well-deserved prize credits.

Reflections Has Begun!! Students, show us your interpretation of what diversity means to you by creating a visual or performance art piece to represent your grade and our school in this year's 2011 Reflections using the theme, "Diversity Means.....". Categories are: Visual Arts (painting, collages, etc.), Literature, Photography, Musical Composition, Film/Video, and Dance Choreography. Entry Forms, Rules, and Consent Forms can be found in the front office, and on the Georgia PTA web site at: www.georgiapta.org. Two winners from each grade who *best* reflect the theme, "Diversity means..." will go on to compete at the North Fulton Council level against all the other schools in the area. Hurry, and start making your masterpiece. The deadline is Fri., October 7th. Please e-mail Wendy Highfill with any questions: w.highfill@aol.com.

This is a great family event
co-sponsored by the City of
Roswell and Fulton County Schools.
