

Questions and Answers

Why does Roswell North need a Foundation?

Many schools, public and private, are adding foundations to support educational programs beyond what taxes fund. Every dollar donated to a 501 (c) (3) is tax deductible and directly supports Roswell North.

How is the Foundation different than the PTA?

RNE needs a strong PTA and a strong Foundation. The PTA is the heart of the volunteer efforts that support vital programs throughout the year. The need for continued financial and volunteer support for the PTA will not change. The Foundation has a mandate to raise money to fund educational programs at RNE. The Foundation does not run programs, but funds programs and purchases. The Foundation also needs enthusiastic volunteers to help with our fundraising efforts and events.

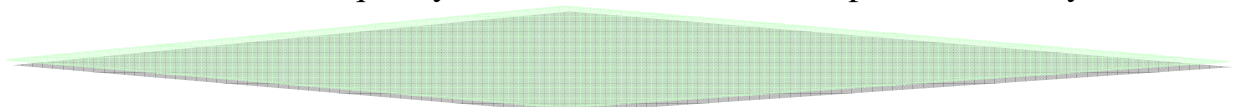

How was the decision made for the Foundation to focus on science, technology and math?

Foundation volunteers surveyed parents at the April 2009 PTA meeting, as well as every teacher and staff member at RNE and the administration. Science, technology and math were the overwhelming choice of each group. Support for adding a Foundation was unanimous.

How will the Foundation raise money?

The Foundation will have the following major fundraising initiatives and targets:

- Request money through available grants.
- Solicit donations from business partners and employers of willing parents through matching funds and their corporate foundations.
- Raise money through an annual gala with a silent auction focused on student art.
- Focus on RNE graduates, school district residents and friends of Roswell North who will be given the opportunity to donate to the school as the quality of education at RNE is important to everyone.

- Finally, we will have an annual campaign for the students, parents, faculty and staff.

How can you support the Foundation?
