The Department of Psychological Services for Fulton County Schools is now accepting applications for practicum/internship experiences for the 2010-2011 school year.

Interns participate in a variety of professional activities which involve learning and practicing the roles and responsibilities of a school psychologist as outlined by the Fulton County Board of Education and in conjunction with NASP guidelines.

Interns are paid **\$175** for each supervised and completed comprehensive psychoeducational evaluation.

Application Requirements:

- Letter of interest
- Resume' or vita
- Copy of transcript (internet version acceptable)
- Two current letters of recommendation (within one year; one must be from a supervisor)
- Two sample reports for intern applicants; one sample report for practicum students
- A copy of university related internship requirements and policies
- Interview, if necessary
