**NOTICE TO PARENTS**

According to the Fulton County Board of Education and found within the Code of Conduct & Discipline Handbook (pgs. 25-26), all rules governing student conduct while on campus or school property also apply while students are on the school bus. If a student is found to have engaged in bullying or in physical assault or battery of another person on the school bus, the Board shall require a meeting of the parent or guardian of the student and appropriate school district officials to form a school bus behavior contract for the student. Depending on the severity of the offense, the administrator will place the student on the most appropriate step of the discipline cycle. *Because of the additional safety factors and for the protection of the driver and students on the bus, school principals have the authority to impose an immediate suspension from the school bus for serious offenses as well as for minor violations.*
