Final Round of National Merit Scholarships announced including three more Fulton County Schools students

The last group of National Merit Scholar designees – the second group of college-sponsored Merit Scholarship awards - was announced on July 16, 2018 by National Merit Scholarship Corporation (NMSC), and among them were three Fulton County Schools (FCS) students.

Eric Miller of North Springs Charter High School, Shirin Kuppusamy of Northview High School and Brian Key of Johns Creek High School are among the 550 additional winners, nation-wide, of National Merit Scholarships financed by colleges and universities.

These Merit Scholar designees join approximately 3,500 other college-sponsored award recipients who were announced in June. Officials of each sponsor college selected their scholarship winners from among the Finalists in the National Merit Scholarship Program who will attend their institution. College-sponsored awards provide between \$500 and \$2,000 annually for up to four years of undergraduate study at the institution financing the scholarship.

This final group of winners brings the number of 2018 National Merit Scholars to more than 7,500.
