Realtors invited to breakfast meeting for first-hand look at Fulton County Schools

North Fulton realtors will receive a first-hand look at the state of public education in Fulton County at a breakfast meeting at 9 a.m. on Friday, October 5 at Cambridge High School. The group of invited realtors also will meet local school leaders and receive the most accurate information about educational programs and initiatives offered at Fulton's neighborhood schools.

"We know that oftentimes realtors are the first people homebuyers meet in our communities, so we want them to be informed about our award-winning school system," said Fulton's Director of Community Relations Samantha Maxey. "This is an opportunity for realtors to ask questions and engage in a two-way conversation about what our schools offer families."

The breakfast meeting will include a panel discussion with key school leaders, followed by a tour of Cambridge High. The school is located at 2845 Bethany Bend in Milton.

For more information about joining the list of invited realtors, contact Director of Community Relations Samantha Maxey at maxey@fultonschools.org or 404-822-4171.
