

## Project Registration Information

Your student would like to represent his/her school by participating in the Fulton County Technology Competition to be held on **January 31, 2009 at Westlake High School**. (Snow Date: February 7, 2009) The Technology Competition is open to home school, private, and public school students in grades 3 – 12 residing in Fulton County. First place winners in the Fulton County Competition are eligible to participate in the GaETC State Technology Fair to be held on March 14, 2009 in Forsyth County. This is a great opportunity for your student to share his/her knowledge with peers, teachers, and others.

Staffed by volunteers, the 8th Annual competition has returned to a one-day format. Please be sure to check-in on time! All students in grade levels 3 through 6 must be standing in line by 8 a.m. All students in grade levels 7 through 12 must be standing in line by 1:15 p.m. **No students will be checked in after the times designated for their division.**

Grade Level	Check In Time	Award Ceremony Time
3-6	7:00 a.m. – 8:00 a.m.	Approximately 12:30 PM
7-12	12:30 p.m. – 1:15 p.m.	Approximately 4 PM

Please check the website <http://www.fultonschools.org/itdivision/techfair/index.htm> for detailed information.

### **Student Responsibilities:**

1. A student may enter **only one project** either individually **or** as a member of a team (maximum of 2 members per team) in the following competition categories:

Digital Video Editing	Non-Multimedia Applications
Multimedia Applications	Non-Animated Graphic Design
Animated Graphic Design	Robotics
Project Programming	Individual Programming Challenge (Grades 7-12 only)
Digital Photography	3D Modeling
Hardware (Grades 7 -12 only)	Internet Applications
Case Modification	

Please refer to the Categories link on the Competition website for technology competition guidelines and category descriptions.

2. All students must be registered by **January 16, 2009 at 4 PM**. Students must return a Registration/Parent Consent form (see below) with parent signature to be eligible to enter the Competition. To ensure that all students are registered before the deadline, the signed Registration/Parent Consent form must be returned to the school liaison no later than January 15, 2009. A list of school liaisons is available under the Resources link on the Competition website. Students register in their current grade level. Students entering as a team must

compete at the grade level of the oldest member of the team. Teams are made up of **no more than two members**. Each member of the team must turn in an individual Registration/Parent Consent form. **If a student participates as a team member, he/she may not enter an individual project.**

3. For individual projects the student **must** be present for judging on the day of the competition. Team projects must be represented by at least one member of the team.

**Parents will be responsible for the following:**

1. An adult must be named who will be responsible for onsite student supervision during the Competition. This may be a parent, teacher or other responsible adult. This is required for elementary and middle school students.
2. Review the detailed information on the website with the student to ensure the student is aware of the rules of the Technology Competition. The website is accessible at: <http://www.fultonschools.org/itdivision/techfair/index.htm>
3. Sign and return the bottom portion of this form to the school liaison.
