

SUMMER ACCELERATED LEARNING EXPERIENCE 2006

Elementary and Middle School Eligibility Criteria

The major focus of the SALE is to provide additional time to learn for those students who were not able to accomplish their curriculum objectives during the regular school year. Eligible students will attend summer school in June for 20 days. Only Fulton County School System students in current grades 3, 5, 6, 7, and 8 who meet the following criteria are eligible to attend summer school:

Elementary Schools

1. **Third** graders in CRCT level 1 with a score of 299 or less in reading.
2. **Fifth** graders in CRCT level 1 with a score of 299 or less in reading or math.
3. **Third and fifth** grade students who enrolled in a Georgia school after the CRCT was administered, and therefore have no test scores, but are highly recommended by the principal **and** teacher as very likely being Level 1.
4. All Voyager “strugglers” in grades K-3 must attend 20 days in June regardless of CRCT score/level.

Middle Schools

1. Middle school students (6th, 7th, 8th graders) who failed a subject and will be retained. If students fail more than two subjects, they will not be able to make them up during summer school. In such cases, the principal must decide if the student will be allowed to attend summer school.
2. **Eighth** grade students in CRCT level 1 with a score of 299 or less in reading or math.
3. **Eighth** grade students who enrolled in a Georgia school after the CRCT was administered, and therefore have no test scores, but are highly recommended by the principal **and** teacher as very likely being Level 1.

No Cost

Eligible students will attend at no cost.

Out of System Students

No out of system students will be accepted.

Promotion/Placed

Students may be promoted to or placed in the next grade level as a result of summer performance in June. **This is the decision of the home school principal. However, third graders must pass the CRCT in Reading above level one to be promoted, and fifth and eighth graders must pass the CRCT in Reading and Math above level one to be promoted.**
