Dear Parent(s) or Guardian(s):

The No Child Left Behind Act of 2001 (NCLB) requires that parents/guardians of children attending “Needs Improvement” schools be notified of their school’s academic achievement. This letter is intended to provide additional information concerning the options available to your child under the NCLB Act. Adequate Yearly Progress (AYP) is one of the cornerstones of the NCLB Act. It is a measure of year-to-year student achievement on statewide tests. Recent testing data indicates that your child’s school did not make AYP for the 2007-08 school year and must offer Public School Choice.

Public School Choice allows students enrolled in a school that is in Year One or more of “Needs Improvement” status to enroll in a school not designated as “Needs Improvement.” The school system has certain obligations to provide or pay for transportation to the choice school if the student is transferring from a Title I school. Tri-Cities High School is a Non-Title I school and transportation will not be provided by the district to the choice school. **If you choose to take advantage of Public School Choice to the transfer school you will be responsible for transportation.**

In spite of the progress made by our students, Tri-Cities High School has been included on a list of schools in Georgia identified as not making Adequate Yearly Progress. Tri-Cities High School is identified as a Needs Improvement Year 2 school under NCLB. As a result, the school is developing a plan for improvement that will focus on the academic achievement of all students, and in accordance with NCLB, specifically addressing the reason why the school is identified as Needs Improvement.

Deciding whether to transfer to another school is an important decision and we want you to make the best, most informed decision possible. Please consider the improvement strategies and special programs at your child’s current school as well as its positive achievements. Please also become more familiar with any school you may be considering for a transfer. You are welcome to visit that school and speak with its staff, as well as contact other parents. We have included 2007-08 test scores for your school and the transfer schools to give you a background on academic achievement.

Under NCLB, a school must make AYP two consecutive years to be removed from Needs Improvement. Please know that your child’s school is doing well overall. While we are constantly improving, **Tri-Cities High School** remains in Needs Improvement status; therefore, you may choose for your child to remain at **Tri-Cities High School** or to transfer to one of the below schools, which are offered based on a variety of factors, including AYP status, projected enrollment, location and transportation options:

- **Chattahoochee High School**
- **North Springs High School**
- **Roswell High School**

**IF YOU WANT YOUR CHILD TO REMAIN AT TRI-CITIES HIGH SCHOOL, NO ACTION IS NECESSARY.** Parents/guardians who desire to apply for a transfer must complete a request for transfer application. The request for transfer application must be **received** (not postmarked) by mail or hand-delivery to the Fulton County School System's Student Assignment Office on or before **July 18, 2008**. You may also fax the application to 404-669-4948 on or before **July 18, 2008**. Please be aware that we can not guarantee that all students will be assigned their first choice school.

Please complete the attached form and return it to the Student Assignment Office:

Fulton County School System

786 Cleveland Avenue SW  
Atlanta, GA 30315

We want to continue serving your child and will use all the resources available to the Fulton County School System to help our students achieve. An important part of this effort is parent participation and support in developing activities to improve student achievement. We hope that as a parent you will participate in developing our school improvement initiatives as we continue to monitor student achievement and set high expectations. If you are interested in additional information regarding the Public School Choice provisions of NCLB, and/or have questions, please contact the Student Assignment Office at 404-763-6801.

Sincerely,

Linda Anderson  
Deputy Superintendent Instruction
