

Publicity Release

Throughout the school year the Fulton County School System and local schools will conduct activities that may be publicized through local or national news media. Such activities may include interview sessions with news reporters; photographs for newspapers or various school system publications, including newsletters, calendars, and brochures; videotaping for local and national television newscasts, cable programming, and school system promotional videos; and photographs for the Internet pages of the school system or local schools.

If you do not wish for your child to participate in these publicity activities, please check below and return to your child’s teacher.

_____ My child **may not** participate in any publicity activities for events sponsored by the local school or the school system.
