AES Minutes of 11/14/08 – **quick review of November hot topic - redistricting**

Future AES LSAC Meetings for 08-09 at 8:00 on Fridays – 02/20/09, 05/01/09 and Monday, 06/08/09 at 8:30? am.

Redistricting – **The final decision will be revealed in February. We reviewed the current map configuration and recommendations. Group consensus = relief that AES population remains in tack.**

Budget Cuts/Class Sizes – **Current planning for budget cuts were discussed. Class size potential with increases: K=20, 1st – 3rd =21, 4th & 5th= 28. Potential growth of up to two additional students per classroom for all grades. Discussion was then directed to this impacting class transition time, scheduling, performance abilities, EIP class numbers, & TAG class numbers. As a result of these changes, questions were raised regarding staffing for optimal performance in the classroom and safety / performance within specialized curriculum areas. (i.e., gym)**

AES Talent Show – **March 12th @ 6:00 p.m. for 3rd, 4th, & 5th grade students. There will be an audition committee selecting talent acts. Restrictions on performance will be limited to 2 minutes per solo act and 3 for group talent. Final details will emerge as planning continues. Expected to be a fun “family” night for our students.**
