

Mentorship Application for the 2010-2011 School Year

The mentorship course provides students with an opportunity to work with teachers and staff at Centennial in a leadership role, where they can mentor fellow students in a specific subject or assist with general office duties.

*Please complete the application below and **return to the Counseling Office by Friday, May 21, 2010.***

Student's Name: _____	
Student's Email Address: _____	
Student's Phone #: _____	Orig. Yr of Graduation (Ex: 2011): _____
Numeric Average (as of 12/2009): : _____	# of Credits Earned (as of 12/2009): _____

1. What is your motivation for wanting to be a student mentor?

2. Is there a specific subject or teacher who you would like to assist? If no, go to question #3.

Students who choose to work as a mentor with a specific teacher will be responsible for providing one-on-one tutoring, homework assistance, and/or remediation to fellow students in a classroom environment.

Subject: _____ Teacher: _____

Teacher Signature: _____

3. Rank the following in order of preference. Keep in mind that your placement is not guaranteed.

Students who choose to work as a mentor in one of the following offices will be assigned a variety of responsibilities in addition to delivering passes. Students will receive a grade in this course based on their attendance and ability to successfully fulfill their duties as defined by the office in which they are assigned. Students should note this class is not a study hall; tasks may include greeting visitors, data entry, photocopying, internet research, and general office support.

Please read the statements below. Put a check in each box to indicate your understanding:

- I understand the recommendation to take at least 4 academic classes my senior year.
- I understand that in order to receive a diploma with distinction, I need the following:
 - *College Prep*: 24 credits with 2 additional credits in the "state core" – English, math, science, social studies, world language, and/or fine arts – and an 80 numeric average.
 - *Career Tech*: 24 credits with 1 additional credit in the "state core" – English, math, science, social studies, world language, and/or fine arts – and an 80 numeric average.
- I understand that as a mentor, I will be in a leadership position representing Centennial High School and am expected to conduct myself in an exemplary manner.
- I understand that I will receive a grade and credit for this course, based on my performance.
- I understand that the mentorship course is not factored into the HOPE scholarship.
- I understand that good attendance and discipline are an important part of being a mentor, as others will be relying on me.
