

CHS School Supply Information

Detailed information will come from individual teachers, when students pick up their schedule on the first day of school.

Before school, though, you should pick up the basics:

- ✓ Loose-leaf paper (college-ruled)
- ✓ Spiral notebooks
- ✓ Graphing paper
- ✓ Pencils
- ✓ Pencil sharpener
- ✓ Pens
- ✓ Highlighters
- ✓ Jump drive
- ✓ Things to organize your locker
- ✓ A non-graphing calculator (e.g., TI-30XA or TI-30XIIS)*

*This calculator can be used in most science classes and in many math classes, during tests. In addition to this calculator, advanced function calculators will be required in some math classes. Math teachers will recommend specific options on the first day of class.

Any type of (non-roller) book bag may be used.

During Orientation—you can shop at the School Store for many of these items as well as for CHS spirit wear!

Finally, remember that teachers would appreciate tissues, hand sanitizer, Clorox (or similar) wipes. Thanks you for sending these items in with your student throughout the year.

Calculator specifics, by math class (per Mrs. Foutch:

Calculator	TI - 30 XIIS	TI-30XS Multiview	TI- 83 or higher (graphing)
Math 1	*	restricted	
Accel math 1	*	restricted	Restricted (graphing tests)
EOCT	*		not allowed
Math 2	*	restricted	Restricted (graphing tests)
Accel Math 2	*		Ⓟ
EOCT	*		not allowed
math 3	*	restricted	Restricted (graphing tests)
Accel Math 3	*	restricted	Ⓟ
Algebra 2	*		Restricted (graphing tests)
Adv. Alg & Trig	*	restricted	restricted
Discrete Math & Stat	*		Ⓟ
Calculus	*		Ⓟ
AP Stat	*		Ⓟ
AP Calc AB	*		Ⓟ
AP Calc BC	*		Ⓟ
GA Tech	*		Ⓟ
SAT/ACT	*	*	*

* = recommended/always allowed

Ⓟ = recommended, but not required. Available for use in class for required activities.

restricted = may not be allowed on some tests
