Parents,

It is time for Read to Succeed!! This program is designed to encourage students to read at home on a regular basis. Each month, students will do the following:

1. **Receive a Read to Succeed calendar** located on the back of form.
2. **Place somewhere** for easy access (refrigerator, binder, homework folder, etc.).
3. **Record reading minutes each day** of the month. Minutes spent on reading books, magazines and newspapers can be used. Students can read on their own, parent read or read to a sibling.
4. **Total the number of minutes** at the end of the month.
5. **Get parent signature** to verify the number of hours completed by student.
6. **Return calendar** to school by the deadline date.

Each student that reads the required minutes and returns the signed calendar will earn an incentive for the month. The program will run for the following months: September, October, November, December, January and February. Calendars and due dates are available on the CCE website ([www.crabapplecrossing.org](http://www.crabapplecrossing.org)) under students.

Please contact Cindy Jackson at [cfjackso@GAPACI.com](mailto:cfjackso@GAPACI.com) regarding questions.

**Happy Reading!!**
