Giving Trees for Troops

Dec. 5 - 9

National Honor Society will raise funds through the "The Giving Tree" campaign this year. Money collected will fund "Trees for Troops."

"Trees for Troops" is a program partnered through Hunters Christmas Tree Farm and the Christmas Spirit Foundation. For the past several years FedEx has helped to deliver, on average, 17,000 real Christmas Trees each year to 60+ military bases throughout the U.S. and overseas. This year, the goal is to reach 100,000 Christmas Trees delivered since 2005. But in order to do this, they need our help. NHS students will be collecting donations each morning. We are hoping to provide 25 trees for the troops. What a wonderful way to personally thank the men and women serving our country and their families this holiday season!!

Mrs. Martin's Guidance Center

Congrats to Celeste Greene, Haley Roberts, Claire Buchanan and Samantha Lenox for winning the CCES Rock Star contest! We had a lot of great videos...it was very hard to choose the winner.

Classroom Guidance lessons continue in all grades. We are focusing on **Bullying and Conflict Resolution**. Students are doing a wonderful job of showing that they know how to **STAND UP** to bullies and how **NOT** to be a bully.

3rd & 5th grade students completed the ITBS. Results will be back in December. We will be holding an ITBS Interpretation Workshop for parents. **Stay Tuned!!**
