CRABAPPLE CROSSING PARKING PLAN

Staff

All staff for Crabapple Crossing ES will be issued a parking pass. The hang tag will need to hang from your rear view mirror **daily**. In the event that you park across the street at the church in the designated CCES parking area you **must** have your hang tag. If you park at Crabapple Crossing ES and do not have your vehicle hang tag your vehicle may be booted or towed.

Front Parking Lot – Near Front Door

All of these parking spaces are assigned parking spots. No one is permitted to park in these spaces unless they are given permission by the administrative team. These spaces have been assigned to specific school staff and PTA leadership positions.

Parents/Guardians/Visitors/Volunteers

Everyone entering Crabapple Crossing ES that is a Parent/Guardian/Visitor/Volunteer will need to **write down their Vehicle License Plate Number on the sign-in sheet at the front desk**. Please start memorizing your number, type it in your cell phone, write it down in your purse/wallet etc. If you do not know your Number we will ask that you go back out to your vehicle to get the number before you are permitted in the building. If Crabapple Crossing ES does not have your Vehicle License Plate Number, your vehicle may be booted or towed.

Crabapple First Baptist Church Parking

Crabapple Crossing ES will have a designated area for parking across the street at the church. If you are traveling down Birmingham Highway toward Northwestern and Milton you will need to turn left into the first entrance to Crabapple First Baptist Church Parking. This will be our designated area for parking. (See map on the reverse for clarification.) Please note--- If you are a staff member, you must use your hang tag. If you are a Parent/Guardian/Visitor/Volunteer, you will need to record your Vehicle License Plate Number on the sign-in sheet at the front office.

Important Information

Milton High School students are not permitted to park at Northwestern Middle School or Crabapple Crossing ES. Also, Birmingham Highway is a state road and **NO PARKING is allowed on this road.**

Thank you for your attention and cooperation,

Crabapple Crossing Administration
