

So You're Going To First Grade

You need to know:

- 🔔 how to write upper and lower case letters correctly
- 🔔 how to write numerals 1-20 correctly
- 🔔 how to tell time to the hour
- 🔔 how to talk in complete sentences
- 🔔 full name, phone number, address, birthday
- 🔔 how to hold a pencil correctly

You should be able to:

- 🔔 recognize all letters of the alphabet and the sounds they represent
- 🔔 identify letters as consonants and vowels
- 🔔 recognize color and number words (one-twenty)
- 🔔 recognize numerals (1-100 in random order)
- 🔔 identify money and it's value (penny, nickel, dime, quarter, & \$1 dollar)
- 🔔 take care of personal belongings
- 🔔 follow directions
- 🔔 come to school on time
- 🔔 complete daily homework assignments (approximately 15 minutes, Monday-Thursday)
- 🔔 tie shoelaces
- 🔔 write first and last name properly
- 🔔 recognize 110 Kindergarten sight words
- 🔔 write 2 complete sentences about a topic
- 🔔 demonstrate competency of the technology skills listed on the attached sheet

Students may bring a nutritious snack to eat in the mornings.

During the summer you should:

- 🔔 read daily
- 🔔 practice writing letters, using correct letter formation on lined paper
- 🔔 practice writing numbers 0 - 20
- 🔔 practice writing your first and last name
- 🔔 practice finding a certain page in a book (random numbers)
