8th grade GA. Trip \$115
due

Every year, HBMS works with North Fulton community charities to keep families warm during the winter season by providing new or gently used coats, hats, scarves, and gloves. Last year, North Fulton Community charities handed out more than 1500 coats, and they expect the need to be even greater this year. HBMS's 2009 Coat Drive will run from Monday, October 5th

through Thursday, October 15th. Please have your child bring your gently used or outgrown jackets, coats, and accessories to his/her first period class. All sizes are welcome. Thank you!

Fulton County holds Future Focus Fair

All FCSS parents of 7th-12th grade students are invited to come out on Saturday, November 14th to hear good advice on how to best prepare their children for a variety of post secondary options. The event will take place at the Georgia Tech Student Center between the

hours of 10am and 12 noon. The featured speaker will be Nancy McDuff, Associate VP for Admissions and Enrollment Management at the University of Georgia. Ms. McDuff will be serving as the moderator for a panel of guest speakers representing GA Tech, GA Perime-

ter College, Spelman College, SCAD and Argosy University. There is free parking on Saturdays. Please take advantage of this wonderful opportunity to learn about what Georgia offers for post secondary students.

Equal opportunity employer and service provider.

Career Day

We are still looking for volunteers for Career Day. If you can give any time on the dates below, please email Jan Kalb at janmkalb@msn.com. Career Day sign ups are 7th grade—October 19th, 6th and 8th grade— October 21st .

Did You Know?

Instead of disposing of your used printer ink cartridges at home, bring them to school! Drop them off in the bins by the front doors adjacent to the 6th grade hallway for recycling. Our school receives cash for each cartridge recycled!

7th & 8th Girls Junior Knights Basketball

Tryouts are Monday, October 19th at 6:30 pm at Centennial HS. If you have any questions, contact Jon Bennett at hey-coachjon@comcast.net or 770-992-5839.

Did You Know?

- 80% of contagious illnesses are spread by touch.
- The flu virus can survive on hard, non-porous surfaces for up to 48 hours.
- The flu virus can travel up to 12 feet through the air at 100 mph.
- Children are 2-3 times more likely than adults to get sick with the flu.
