Academic Bowl Team Results

Ryan Khall, Eric Oldfield, Nate Bramel and David Raji led the Haynes Bridge Academic team to a fourth place finish at the Chamblee Brain Brawl this weekend. The team started slowly, but then won 4 straight matches to earn a berth in the semi-finals. Andrew Shumway, Ellie Bramel, Nick Summers, Henry Harden and Michael He also contributed, as every team member answered at least 2 questions correctly. The team's next practice is Wednesday morning at 7:30 in room 12. If you have a sixth grader that is interested in participating, have your student speak with Mr. Fowler or just show up on Wednesday morning.
