### From the Desk of Ms. Carter School Nutrition

Charges can not be made for school lunches. Please be sure students have money in hand or in their accounts each week. An alternate lunch is available.

Parents (of returning Fulton County students that qualified for **free or reduced meals** last school year) please note that as of September 21st if you have not returned a free or reduced form to Ms. Carter your child will be charged full pay price until the form has been processed in the central office. If a parent has not sent in forms, the system will automatically charge the child full price until the form has been processed. It could take up to 10 days for the form to be processed. Notice letters were sent home students in this category. This letter was to alert their parents of the deadline, a free and reduced form was attached to each letter.
