

Dear Parents and Guardians,

As a dedicated educator for the past twenty-three years, I am committed to the personal, academic and developmental growth of my students. Prior to this position, I served as the Principal at Bear Creek Middle School. Before this opportunity, I worked as Assistant Principals at Riverwood and Roswell High Schools. My education includes: a Bachelors Degree in Spanish/International Business from Temple University, a Masters Degree in Educational Leadership from Florida A& M University and a Doctorate Degree in Educational Leadership/Applied Linguistics from Georgia State University.

I have taught Spanish, English to Speaker of Other Languages (ESOL) and worked as a Spanish Interpreter. These opportunities have provided me with the true conceptualization of "seamless education." In turn, I have found student success is measured by the dedication and determination of parents, teachers, staff, students and the community. I am honored and humbled to be an integral part of your child's road to academic excellence. Remember – It Takes a Village to Raise a Child.

Yours in Education,
Sandra C. DeShazier, Ph.D.
