Upcoming AES LSAC Meetings for 08-09 at _____ time on Fridays – 11/14/08, 01/16/09, 02/20/09, 05/01/09 and Monday, 06/08/09 at 8:30? am. **We discussed options for meetings times and settled on 8:00 a.m.**

Continuous Achievement – **Mrs. McInnish provided update on levels of achievement and class placements status within AES. Levels are: On level, advanced, & accelerated based on standardized test scores, teacher input and performance levels. Academic success for students within each level and monitoring appropriate placement to coincide with curriculum standards. We also discussed updated writing standards with distinct county materials and units.**

Walk to School Day - September 10 – **Mrs. Reed elaborated on Green School Days, emphasizing environmental education and awareness, recycling, respecting our environmental resources. In addition, the Walk to School Day option to utilize already existing sidewalks and to promote understanding within the community of completing the sidewalk project from neighborhoods along Mayfield in order to encourage more days to walk to school. A police presence will be available on that day to encourage safety. Ideas were discussed to determine resources to get recycling bins donated (possibly one per class) to get more student involvement.**
