Interactive Foreign Language Student Edition Text

Dear Parents,

This year our foreign language students are using the McDougal Littell series. One of the features of the text is an Interactive Student Edition available on computer compact disc. Although using the compact disc is not considered as desirable as the text itself, it does provide an alternative learning tool for your child. If you are interested in your child checking out a CD, you will need to understand and agree to the conditions below:

- The disc must be checked out from the Media Center.
- The replacement cost of the disc is \$55.00. Discs that are lost or **damaged in any way** will need to be replaced.
- The disc requires the following systems; **Windows: Pentium PC,** Windows 95 (or higher), 32 MB RAM, 5 MB **available** hard drive space, 8x CD-ROM drive, Adobe Acrobat Reader 5.0 (included on CD), **Macintosh: Power PC or higher** System OS 8.0 (or higher), 32 MB RAM, 5 MB available hard drive space 8x CD-ROM drive, Adobe Acrobat Reader 5.0 (included on CD),
- **Computer or technical problems will not be accepted as a reason for incomplete homework or assignments.**
