Hello Seniors,

This is your Class President blowing Smoak again. Due to weather conditions homecoming has been postponed until October 16. This game will be against Mays High, so come out and show your Trojan Pride.

It is imperative that you get your senior dues taken care of. The same goes for your senior trip. This will be the last time all of us will be together for a weekend of fun.

Senior Week is going to be great. I especially hope everyone does his or her part for Charity Day. Senior Week kicks off the activities for the year, and the Senior Council looks forward to your participation. We are always open to new ideas. Anyone with concerns or questions about anything, please don't hesitate to contact Ms. Kinlaw or me.

This is Smoak saying "Keep ya head up. We're almost there."
