

Mathematics Department

Mission Statement

Acknowledging the precepts of the National Council of Teachers of Mathematics and the Georgia Performance Standards, the mission of the Department of Mathematics is (a) to provide all mathematics students with an understanding of the logical structure and style of mathematics appropriate to their discipline and level, (b) to stimulate curiosity, to encourage persistence, and to develop mathematical maturity, (c) to help students to develop quantitative and abstract reasoning and the ability to use mathematics as a computational and analytical tool, and (d) to challenge students to develop skills in analysis, reasoning, creativity, collaborative learning, and self-expression as they gain knowledge of mathematics, prepared to use these skills as lifelong learners and productive members of the evolving, global society.
