

Creek View's Annual Food Drive Begins!

This year CVES is working with the *North Fulton Community Charities* to help stock their dwindling reserves. The NFCC is helping to feed an average of 125 families per day in our local neighborhoods! Any donation your child brings to school will help right here in our area.

Donations of any food items are appreciated, but of critical need is the following list:

Canned fruit and vegetables

Canned soup

Boxed Food

Rice and dry beans

Peanut Butter and jelly

Tuna and canned meats

Pasta and tomato products

Diapers size 3, 4, 5, and 6

Quart sized zip lock bags

Grocery gift cards to local grocery stores will be collected during our CVES Feast Days, November 19th and 20th. NFCC can provide a traditional Thanksgiving meal for a family with each \$25 in cards they receive.

Student Council members from CVES will be collecting food items in our rotunda area each morning beginning Monday, November 9th. Thanks for supporting this worthwhile drive.
