

Five Year Old T-ball

Wills Park Youth Baseball Association in Alpharetta has run baseball at Wills Park since 1974. You can get more information at www.WPYBA.org. Five-year-old baseball is about learning and having fun! Players must reach the age of five by 4/30/2010.

What we do:

- Learn baseball
- Practices and games
- Guaranteed participation rules

What we don't do:

- Keep score or standings
- Play tournaments
- Sit on the bench

Sign up now for t-ball baseball and youth baseball (ages 6 to 18), too!

.....
Online registration is open now through January 23, 2010. Registration after that date is based on availability at each age level. Practices begin in February.
