

# **Creek View's International Night**

**Wednesday, March 3<sup>rd</sup>, 6-7p.m.**

Dear Parents,

Creek View has families from all over the world. Fifty six different countries are represented among our staff and student population. This first time event will be an evening to celebrate our diversities by sharing traditional food and cultural traditions.

Students and parents from all countries are encouraged to attend. Children should wear traditional clothing of his/her birth country and will have the opportunity to perform a song or dance which showcases their country's culture. Each child participating in the Parade of Nations is asked to bring a prepared food item which is popular in the country they are representing. These food items will be shared following the student's performances.

Come and enjoy the Parade of Students as they wear the clothing of their heritage and share some of their culture's songs and dances. Then taste your way around the globe with delicious food samples from family favorites.

Creek View's Multicultural Committee
