

Attention 5th Grade Parents...

For 5th graders,
the last week of school
is filled with many special
activities to celebrate
this great milestone
they have reached!

**5th Grade
Carnival**

The planning and preparation
for the promotion ceremony and spirit week have begun!
We are asking each family of a 5th grader to donate \$10.

This money will help cover the cost of the promotion ceremony, the fantastic
carnival that follows, and other activities that are planned during spirit week.

So that we can expedite the planning process,
Please turn in money by February 26th.
Thank you in advance for helping us make this a
memorable week for all 5th graders here at CVES!
