

Cafeteria Balances

Dear Parents,

As of Monday, May 10th, we will no longer be able to allow any meal to be charged in the cafeteria. The Fulton County Nutrition Department has required that all accounts are paid in full before May 17, 2010.

We strongly encourage parents to register online at www.Mealspayplus.com in order to better monitor their student's accounts and avoid a charging situation. If a student comes to school without a lunch or does not have money on their account, they will be provided an alternative sack lunch consisting of a sandwich and piece of fruit.

Remember that any money put in your child's account will roll over into next year provided they are attending a Fulton County School. Report cards will not be issued for any student who has a balance in the cafeteria on the last day of school.

If you have any questions or need a student balance, please call the Creek View Cafeteria at 770-667-2937.
