Dear Creek View Parents,

As I have mentioned in previous communications, our student enrollment at 960 students is well below the projected enrollment of 1,005 students. This has already resulted in the loss of budgeted classroom positions for the 2009 — 2010 school year. Unfortunately, as a result of the 10 day count, we are also having to make staffing adjustments in the front office. Tomorrow, we will say good-bye to one of our Assistant Principals, Ms. Sabrina Payne-Bland, who will be leaving us to join Mimosa Elementary School because their enrollment is well over 1,000 students.

Ms. Payne-Bland has been a valuable and steadfast member of Creek View's leadership team since the school opened. Our loss is certainly Mimosa's gain and we wish her all the best at her new school.

In addition, we are also having to make adjustments in our Counseling Department. Ms. Caren Allen, will now be working half time at Creek View and half time at Manning Oaks Elementary School. I will be working with the Administrative and Leadership teams during this transition to adjust duties and responsibilities accordingly. I can assure you that Creek View will continue to provide the highest level of quality service to our students, staff, parents, and community.

Thank you for your understanding and support during this time.

Sincerely,

*Mr. Matt Rogers*

Principal
