

**Future Focus Fair
November 14, 2009
Georgia Institute of Technology
Student Center
350 Ferst Drive NW. Atlanta, GA
10 a.m. – 12:00 noon
Free Event**

Not a College Fair... A Preparation Fair

This first-ever forum is a Fulton County School System initiative to help middle and high school parents learn about the many opportunities awaiting their children after graduation and how to prepare them today. This isn't a college fair – it is an event to help parents understand what they can do to guide their children in choosing the right path.

Hear representatives from some of metro Atlanta's four-year universities and two-year colleges explain the college admission process and other entry requirements. Learn which classes and other courses your child should take to prepare for a successful post-secondary experience.

Engage in a panel discussion and /or breakfast session with representatives from the following organizations:

- University of Georgia
- Georgia Student Financial Commission
- Georgia Institute of Technology
- KAPLAN Test Preparation
- Georgia Perimeter College
- The College Board
- Spelman College
- Georgia College 411
- Savannah College of Art and Design
- Georgia Department of Education/Career, Technical & Agricultural Education Division
- Atlanta Technical College
- Georgia Career Information Center
- Argosy University
- Georgia Career Information Center
- Armed Forces
