Welcome to Hapeville Charter Career Academy, a student-centered school that stresses excellence in an environment of high expectations and high support.

Our size is ideal, with fewer than 160 students, allowing individuals to be well known and appropriately recognized for their unique and special talents. Above all, HCCA is an academic institution that challenges students to reach their highest level.

Students at HCCA are encouraged to participate and strive to do their very best in all courses.

We look forward to seeing you during our Open House on August 6, 2009 from 8:00 AM - 4:00 PM. More information regarding the school lunch program, transportation and music instruction will be available at that time.

Outside of the classroom, students enjoy a broad array

of co-curricular and extra-curricular options. Our robotics team is just one of the many organizations in which students can participate.

Please note:

- Students will pay for lost or damaged textbooks assigned to them from HCCA.
- HCCA will provide music instruction according to the interests of the students.
- HCMS will provide several field trips throughout the year. Some are free; some require a participation fee. All students will have the opportunity to participate.
- All students must have a signed waiver to participate in school field trips.
- Backpack Policy: rolling backpacks will not be permitted in building without a doctor's note. Please see Mr. Rainey if you have any questions.

- HCCA will not be responsible for lost or stolen cell phones and/or personal electronics. All items should be placed and kept in the student's locker before the start of school.
- HCCA will provide Athletic Sporting teams for 9th grade once approved by the county office. These sports include: Soccer, Basketball, Cheerleading, Tennis, Volleyball and Track and Field.

We welcome your interest in our school and encourage you to contact us by email or telephone if you have further questions. For updated information, visit our website, watch for our monthly newsletter, and come to the PTCO meetings.
