

**Annual notification to all employees, building occupants,
and parents of students attending Hapeville Charter Middle School**

Clayton Group Services, Inc., A Bureau Veritas Company of Kennesaw, Georgia, has prepared an Asbestos Management Plan in accordance with the United States Environmental Protection Agency (USEPA) Asbestos Hazard Emergency Response Act (AHERA) (40 CFR Part 763), for Hapeville Charter Middle School located at 3535 South Fulton Avenue in Hapeville, Georgia. The inspection of Hapeville Charter Middle School was performed (by Clayton) on July 18 through 19, 2006.

Clayton has identified asbestos-containing building materials (ACBMs) within Hapeville Charter Middle School, as documented in the US Environmental Protection Agency (US EPA)-approved Asbestos Management Plan, which is located in the Administrative Offices of Hapeville Charter Middle School. This Management Plan is available for review and duplication (duplication cost will be borne by the requesting party). All students and staff must be notified once per year of the availability of the Management Plan. A newsletter containing this announcement will be issued once the Management Plan has been accepted. This announcement will be issued each year, while ACBMs remain in the building.
