- *November 25-27*
Thanksgiving Break

Band Students Excel at GMEA Festival

Twelve of our band students participated in the Georgia Music Educators Association's Solo & Ensemble Festival this past Saturday. These students were divided into four ensembles. Two of the ensembles received a rating of Excellent which is the second highest possible rating. These students are Noah Rickles, Chris Payne, Will Ingersoll, Evan Thomas, Nate Bramel,

and Michael Morgan. Our other two ensembles received a Superior rating which is the highest rating possible. These students are Wes Harper, Rayner Kristanto, Margaret Howell, Maria Liu, Victoria Zhou, and Shannon Tillison. Their hard work and dedication paid off well for them. Congratulations to these band students!

Monterray Night

It is Haynes Bridge Night at Monterray Mexican Restaurant again. Join us on Wednesday, November 18th as we enjoy a good meal and good company. Haynes Bridge receives a percentage of the profit for the evening. Slips will be available in the front office. Take the slip to the restaurant, write in the amount spent and turn the slip in to your waiter.

Congratulations to all the 2009-10 Reflections Winners

Proposed Career/Technical Education Textbooks on Display

Career and technical education textbooks and instructional materials being considered for future use in Fulton County middle schools are available for review starting November 18th. Once selected, the materials will be used in Business and Computer Science, Family and Consumer Science, Engineering and Technology, and Career Connection classes beginning with the 2010-11 school year. Eleven middle schools will host the proposed materials until December 15th: Autry Mill, Bear Creek, Camp Creek, Elkins Pointe, Holcomb Bridge, Hopewell, Renaissance, River Trail, Sandy Springs, Taylor Road and Paul D. West. The textbooks will be on display from 8 a.m. until the close of the school day. Parents, school system employees and community members are invited to review the materials and comment on their preferences.

Canned Food Drive

The HBMS annual canned food drive is underway! Student Council members are heading up this huge effort by and for our community to help those in need this Thanksgiving season. Our goal to assist North Fulton Community Charities and collect 1800 cans and boxes by November 18th. Please send non-

perishable items, especially those which could be part of a holiday dinner, with your child to his/her homeroom representatives. It's a great and easy way to warm the hearts and home of our fellow neighbors!

Latte Day

Latte Day is November 24th in the Media Center. The purpose of Latte day is for students to enjoy browsing all the new books in the Media Center.
