Fabulous Artwork

Parents, if you haven't had a chance yet, please stop by the school to see the fabulous artwork that our students created the first few weeks of school. In the stairwell coming upstairs there are framed pieces created by each grade level. Almost all of the children in our school worked on these, and I am very proud of them all!

Also, second grade parents especially, please take a minute to come by our student art gallery which is located in the hall outside the Art, Music, and Band rooms. We have up a new display of prints that were created by our second grade students. Every child in second grade has their print up. Please take a few minutes to stop by and recognize all of our wonderful artists! **Thanks! Mrs. Nowlin**
