

Entering Fourth Grade Suggested Summer Reading List

Please read any four or more books during the summer. You may use the list below of specific books and topics, or select any other books by the authors referenced below. You must read at least one non-fiction book. Topics listed might be included in the curriculum during the school year.

This list represents a wide range of reading levels; therefore, your child may need assistance selecting appropriate books. If you need to, please use the higher or lower grade level lists based on your child's reading level.

Use the attached sheet to catalogue your completed books and answer the questions for each book.
