No school for students

It is hard to believe we are at the end of September and that fall is here! Our year has been really busy, so time has flown by us quickly. This year, 4 of the elementary schools in our cluster are embarking in a year-long study with Kimberly Clark called Learn Well\*. It is a researched based project developed in conjunction with and approved by Fulton County Schools. We will be sending home more information later, as well as a survey we are asking you to complete in regard to your children's sicknesses throughout the year. Kimberly Clark is providing products such as Kleenex, hand sanitizer, desk wipes, and lessons to work with the students in teaching about germs. We will be keeping data on the number of student absences and some other information as we implement the program this year. The timing is perfect for this project. It is in line with the recent article I shared a couple of weeks ago about student attendance.

Also – other news.... Please be aware that we are approaching SPLOST IV. There are some informational posters on display in the lobby and we will be sending home some messages in our newsletter. There will also be some community meetings coming up to inform you more about what the school system hopes to accomplish with the next SPLOST money if the voters approve. Please visit Fulton County School's website to learn more and to stay informed.

*John A. Anderson, Ed.S , Interim Principal*

## SPLOST INFORMATION!

October 13th from 7:30-8:30pm the Centennial Cluster school PTA's invite everyone to join them at the East Roswell Park recreation center (9000 Fouts Road, Roswell, GA 30076-3437) for a meeting to learn about and discuss the SPLOST IV referendum.

## Three Town Hall Meetings on The Charter System:

- October 3<sup>rd</sup> – Milton Center – 86 School Drive, Alpharetta
- October 5<sup>th</sup> – Lake Forest Elementary - Sandy Springs Circle,
- October 6<sup>th</sup> – Westlake High School – 2900 Union Road, SW Atlanta

## Did you Know?

SPLOST has funded capital needs in Fulton County Schools since 1997. To accommodate growth of almost 35,000 students SPLOST has funded 37 new schools (with two being built currently) and 28 additions. Past programs were about new schools; however the upcoming SPLOST is about continued investment in our current inventory to maintain optimal conditions for learning. It's also about expanding technology capability of our existing classrooms. Get complete detail about SPLOST IV at [fultonschools.org](http://fultonschools.org). Direct questions to [SPLOSTinfo@fultonschools.org](mailto:SPLOSTinfo@fultonschools.org) or call us at 404-669-8982.

Please  
remember...  
Do not wear flip  
flops to school.  
It's not safe!  
Thank you!

## Chick Fil-A Night ... A Success!

Last week at Chick Fil A we had 136 Hillside students/teachers attend a fun night!

Congratulations to Ms. Lee and Mrs. Beasley's homerooms—they had the most students attend and will each get a chick fil-a nugget platter to share with the class!

Thank you to our Vision/Hearing Screening Volunteers!

The screening went very smoothly thanks to all of you!

**THANK YOU**

## GOALS FOR KNOWLEDGE CONTINUES...

As September draws to an end, the student goals for knowledge lining the halls will come down, but they should not be forgotten. Follow up with your child throughout the year to see if they have accomplished their goals and continue to make new goals. Help remind them they can gain new knowledge not only every day at school, but in whatever they do and where ever they go. If you are looking for a way to reinforce at home don't forget to check out the book list of books that relate to the monthly value. There is a book list every month. For books on knowledge go to:
