Dear Parents:

It was so great to see so many of you at last night's curriculum night. I look forward to seeing another large group of support at tonight's meeting. As you know, research has shown that students thrive more when the school and home work together. Your obvious support will certainly help all of our students to be academically successful.

On Wednesday, we welcomed our twenty-two Georgia Pre-K students to Hillside. The name of the program is *Bright From the Start*, and is operated under the guidance of the Georgia Department of Early Care and Learning. We are excited to welcome more students to the Hillside family!

John A. Anderson, Ed.S, Interim Principal
