NATIONAL AWARDS AND RECOGNITION

National Awards

The national PTA organization gives out 18 Awards of Excellence in each arts area—three for each grade division. Up to five Awards of Merit may be given in each grade division of each arts area.

Award of Excellence recipients receive a \$200 cash award and a silver-plated Reflections medallion. Award of Merit recipients receive a silver-plated Reflections medallion. Additional sponsor gifts may be given.

Six Outstanding Interpretation Award recipients—one from each arts area—are chosen from among all of the Award of Excellence recipients. The six Outstanding Interpretation Awards recognize the most creative interpretation of the theme in each of the arts areas, regardless of grade division.

The six Outstanding Interpretation Award recipients receive the following:

- An expense-paid trip for themselves and one adult to the PTA National Convention
- An \$800 arts education award from the national PTA organization
- A gold-plated Reflections medallion
- Additional sponsor-related awards

In addition:

- A \$200 arts education award from the national PTA organization to the student's local PTA

Notification to students

- All students whose entries reach the national level of judging will receive a letter of congratulations from the national PTA organization in June.
- Recipients of Awards of Excellence and the Awards of Merit will be notified in writing in May.
- Outstanding Interpretation Award recipients and their state arts chairs will be notified by telephone in April.

Return of artwork

- Entries that receive national awards will be featured in the Reflections Program Gallery on the PTA national website.
- The national PTA office will make every effort to return the photographs and visual artwork in January, following the completion of the gallery. However, the office does not return literature, musical composition, dance choreography, or film/video production entries.
- Contact your state PTA for its artwork return policy.

2007–2008 PTA Reflections Program GENERAL STUDENT PARTICIPATION RULES

Theme: I can make a difference by...

Students must adhere to the following general rules as well as the rules for their specific arts area.

1. Theme

The theme for the 2007–2008 program is “I can make a difference by...”. **Only new pieces of artwork inspired by the theme are acceptable.**

2. Student eligibility through local PTA

Students must participate in the Reflections Program through a PTA/PTSA in good standing. Parent groups not affiliated with PTA are not eligible to sponsor this program. It is the responsibility of the state and local PTA/PTSA to determine each student’s eligibility in the Reflections Program.

A student may develop an entry in or outside of school.

3. Grade divisions

Students may enter the Reflections Program in the appropriate division for their grade. The divisions are as follows:

- Primary: preschool–grade 2
- Intermediate: grades 3–5
- Middle/Junior: grades 6–8
- Senior: grades 9–12

If students do not fall under specific grade divisions, the national PTA organization suggests that they be grouped as follows:

- Primary: up to age 7
- Intermediate: ages 8–10
- Middle/Junior: ages 11–13
- Senior: ages 14+

It is the responsibility of the local PTA/PTSA to determine the appropriate division if necessary.

4. Arts areas

Students may submit works in any of the six arts areas:

- Literature
- Musical composition
- Photography
- Visual arts
- Dance choreography
- Film/video production

The national PTA organization does not limit the number of entries a student may submit.

5. Children with disabilities

PTA believes that each child with a disability should be provided a free and appropriate public education.

Therefore, the Reflections Program at the national level does not have a special division for students with disabilities. The national PTA organization believes it is the right of parents to place their child in the Reflections Program grade division that best reflects the child’s developmental age. However, guidelines for state and local Reflections Programs vary. Check with your state PTA for its guidelines.

6. Deadlines

Each student must submit his or her work by the deadline established by his or her local PTA/PTSA. Each local PTA/PTSA sponsoring the program will set a deadline for entries in adherence with the state, district, and council needs. These entries are judged, and the selected works are forwarded to the next level of judging (council, district, or state). Direct all questions regarding deadlines or rules to your state PTA or state arts chair. **The national PTA office does not have deadlines for local, council, district, or state PTAs.**

7. Judging

All national entries are judged on artistic merit, creativity, and interpretation of the theme.

The Reflections Program makes no restriction on content or subject in artwork. Students who are submitting entries need to meet school and/or local and state PTA standards. Judges review entries based upon creativity, artistic merit, and interpretation of the theme.

Each PTA determines its own judges for the program. Under no conditions may parents or students contact the judges to dispute the status of an entry. All decisions of judges are final.

8. Award recipient notification

State arts chairs will notify students who receive national recognition. State arts chairs will submit original photography and visual arts pieces to the national PTA office for the creation of the Reflections Program Gallery on the PTA national website.

9. Further information

Only your state PTA office and state PTA arts chair can provide you with information about your state’s Reflections Program rules and deadlines.

Students must adhere to the general rules as well as the following Literature Rules.

Description

Literature entries may be works of fiction or nonfiction. Prose, poetry, and drama are all accepted.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Originality

Each entry must be the original work of one student only. An adult may not alter the creative integrity of a student's work. Because the program is designed to encourage and recognize each student's individual creativity, help from an adult or collaboration with other students is not allowed. **Use of copyrighted material is prohibited. Literature entrants are not to borrow from copyrighted material.**

Plagiarism is defined as taking and using another person's ideas, writings, or inventions as one's own. Plagiarized entries will be disqualified and returned to the students.

All participants are required to fill out in its entirety and sign the **Official Entry Form**. Students who have not completely filled out the form will not be eligible to participate in the program. 2007–2008 PTA Reflections Program

MUSICAL COMPOSITION RULES

Theme: I can make a difference by...

Students must adhere to the general rules as well as the following Musical Composition Rules.

Description

A musical composition entry may be for voice, instruments, or a combination of voice and instruments. Lyrics may or may not be included in vocal compositions. The composition is not to exceed five minutes.

The use of composition software is permitted. Students are strongly discouraged from submitting highly edited MIDI sequences or audio files. The recording submitted must capture performers in real-time. The entry may not include imported MIDI or other source files, or use algorithmic composition software.

Use of notation software for the purpose of creating scores and printed parts is permitted. Whether the score is handwritten or computer-generated, appropriate instrumentation and voicing are required for the performance.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Originality

Each entry must be the original work of one student only. An adult may not alter the creative integrity of a student's work. Because the program is designed to encourage and recognize each student's individual creativity, help from an adult or collaboration with other students is not allowed. **Use of copyrighted material is prohibited. Musical composition entrants are not to borrow from copyrighted material.**

Plagiarism is defined as taking and using another person's ideas, writings, or inventions as one's own. Plagiarized entries will be disqualified and returned to the students.

Entry Form

All participants are required to fill out in its entirety and sign the **Official Entry Form**. Students who have not completely filled out the form will not be eligible to participate in the program. In situations where the child cannot fill out the entry form or write legibly, a parent may sign his or her child's name.

Students have the option of placing the titles of their works on the Official Entry Form and must answer a few questions about how they created their works (see Required Information).

Return of Artwork

The national PTA office does not return musical composition entries.

Judging

All national entries are judged on artistic merit, creativity, and interpretation of the theme.

Presentation

- Students must submit musical notation as required by their grade divisions.

—Primary and Intermediate: No notation is required. Iconic notation may be submitted. Iconic notation is "made-up" notation.

—Middle/Junior and Senior: Notation, either traditional, tablature, or electronic, is required. The notation should aid the listener and serve as a guide through the piece.

—Adults may not assist. Physically challenged students may dictate to another person who may write the notation. The quality or accuracy of the notation and performance support the musical idea, but they are not considered judging criteria.

- Entries may not exceed five minutes.
- Students are not required to perform their own compositions. A student's composed work may be performed by a group.
- Score size
 - Entries should be no larger than 11 inches by 14 inches.
 - Band and orchestra compositions may be 11 inches by 16 inches.
 - Do not mount or bind the scores.
- Recording requirements
 - All grade divisions must submit an audiocassette or CD recording of the composition.
 - Submit the audiocassette or CD in a plastic or cardboard container; identify both the audiocassette/CD and container with the student's name, grade division, state, and year.
 - Pack the audiocassette or CD with the score (if required) in a large envelope.
 - Secure the Official Entry Form to the outside of the envelope with masking tape.

Recommendations for quality recordings

- Make the room you record in as quiet as possible. Close windows and turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.). Do not place the recording device on top of an instrument or speakers.
- If recording on cassette, use *Dolby B Noise Reductions* to reduce background tape hiss.
- Don't record at too loud (in the red zone on the meter) or too soft (meter barely moving) a level.
- Record a short test and listen to it while watching the meter. If needed, improve recording quality by changing the record volume or microphone location.
- If recording on cassette, rewind to the beginning, record 15 seconds of silence, and then begin performing your composition. Finish with another 15 seconds of silence. CD submissions may reduce silence to two seconds.

Required Information

On the Official Entry Form, please answer the following:

- Who performed your composition?
- Did you use traditional instrumentation or a synthesizer?
- If you used MIDI, what software and hardware did you use to compose your work?
