"G.A.T.E." stands for Gifts, Abilities, Talents, and areas of Excellence. We all have our areas in which we are talented and gifted. Some people may love participating in sports, writing stories, drawing, painting, or working with technology. Some of these talents may be addressed within the school setting, but some may not. What are some of your special, natural talents? What are your interests or hobbies? In what areas do you excel? We want to know what your G.A.T.E.'s are, whether they are related to school or not. Describe your activities and interests in detail below. Fill out your schedule on the back of this sheet.

You will be assigned a G.A.T.E. advisor and discussing your talents and abilities.
