Dear Parents/Guardians of 2009 Senior Class:

Every minute of this exciting school year is quickly passing. The graduation committee is diligently working to ensure that the graduating class receives the graduation that they so deeply deserve. The Senior Recognition Ceremony is scheduled for **Thursday, May 21, 2009 at 1:30 p.m.** in the College Park Auditorium. Each senior is encouraged to stay in touch with his or her counselor so that they are sure of their academic standing. Students must pass all portions of the Georgia High School Graduation Test, as well as meet all course requirements in order to participate.

In order to plan successfully, it will take the cooperation of all stakeholders. Senior dues are an essential component in carrying out a successful ceremony and senior keepsakes. On the following page you will find an itemized list of mandatory dues. The senior dues are \$150.00. The dues cover the cost of the cap and gown, diploma and cover, venue cost, and other ancillary senior occurrences. A breakdown of the fees are on the back of this letter. The dues have been calculated in a sense of fairness and sensitivity to all graduates. **Payments can be made in installments at this time.** Payments will be accepted **weekly** in order to ensure that fees are paid in full no later than May 1, 2009. In order to participate it is mandatory that all fees must be paid to Mrs. Collins, bookkeeper cash or money order payable to Frank McClarin High School. Please note that failure to pay senior dues will result in your child not participating in the recognition ceremony. The circumstances acceptable for PARTIAL refund of dues include; failure to meet graduation requirements, impairment of health and school sanction reasons. We are encouraging you to participate in this once in a lifetime celebration of your accomplishments.

Should you have any questions, please contact the Senior counselor Mrs. Stella Wilson or Guidance Secretary, Mrs. Sandra McKissic at 404-669-8080.

Sincerely,

Stella S. Wilson
Senior Counselor
