GEORGIA HIGH SCHOOL GRADUATION TEST TUTORIAL: Monday –Friday, 2nd period (9:18 a.m. to 10:33 a.m.)

Course Description: World History II is a one semester course required for graduation. It covers the time from the Age of Absolutism and western democratic revolutions to the major revolutions and crises of the 20th century. Also included are materials that will be covered on the Georgia High School Graduation Test. You need to learn the material both to pass the course and for parts of the GHSGT.

Standards: (See attached)

Materials Needed: notebook paper, pen or pencil. Please bring your own.

Textbook: World History: The Human Experience, Glencoe, McGraw Hill, 1999. Cost: \$64.98

There are four units, ten tests and a Final exam. **Each test must be passed with a 70 on the test or higher.** If you are re-taking a test you have failed, the highest score given on it will be 70.

Some units include videos, cassettes and other media or electronic assignments. Be sure to see the teacher to find out if these are included in each unit you are currently studying. If so, they are required activities or can be used for review, depending upon the unit.

Technology will be included as components of any of the following: tests, projects, classwork, and homework.

Formal writing assessments and performance-based assignments are requirements for the completion of the course.

IMPORTANT REMINDERS

You may not use notes nor book when taking the test.

You must complete any test in the period in which it is given.

You may take no more than 2 tests in one day.

Follow all of the school rules.

You need to complete and pass each unit in the order given before moving to the next unit.

Please ask for any assistance needed.

You may not stay after the bell to finish a test.

Plan ahead so that you do not need to leave the room. If you must leave the room, it must be at least 10 minutes after class starts and before the last 10 minutes of class. Restroom visits need to be made between classes, or only for an occasional emergency, **not daily**. Use only the restrooms on this floor unless you have permission to go elsewhere.

Textbooks are to remain in the classroom. You may take notes home to study if you write them.

Do not get on the Internet without the teacher's permission or go to unapproved sites.

Otherwise, detention may be assigned. You may also lose class computer privileges.

Assignments are expected to be turned in on the date they are due. Late assignments will result in reduced grades.

GRADING PLAN

A	90 and above
B	80-89
C	70-79
F	Below 70

There are four tests, homework and a final exam. In addition, performance-based tasks, designated by the teacher, will be required. These components will count towards the final grade as follows:

Tests/Final Exam	25%
Performance Assessments	25%
Homework	15%
Class Participation	20%
Classwork	15%

Please note that the highest grade allowable when retesting is 70.

Unless indicated otherwise, class participation and classwork will be graded as follows: A checkmark () indicates full participation; a slash mark (/) shows low participation; and an (X) designates no participation. A checkmark equals 100; a slash mark equals 50; and an "X" equals 0.

ATTENDANCE: Students are expected to report to class daily and on time. School attendance policies apply.

RECOVERY/ MAKE-UP:

Opportunities designed to allow students to recover from a low or failing cumulative grade will be allowed when all work required to date has been completed and the student has demonstrated a legitimate effort to meet all course requirements including attendance.

Students should contact the teacher concerning recovery opportunities. Teachers are expected to establish a reasonable time period for recovery work to be completed during the semester. All recovery work must be directly related to course standards.

Teachers will determine when and how students with extenuating circumstances may improve their grades.

CONDUCT: Students are expected to follow classroom rules, school rules, as well as the Code of Conduct and Discipline Handbook.

McClarin School Policy: "Students who do not successfully complete their assigned classes will have to repeat the class. No student will be assigned a repeat class the next semester unless it is the only class this student needs to take. Students with excessive absences will not pass the class."

Fulton County Grading Scale: A= 90-100 B= 80-89 C= 70-79 F= 0-69
