

Dear Parents of \_\_\_\_\_,

Re: online access to the science textbook

You and your child now have access to the Harcourt website.

Website: <https://www-k6.thinkcentral.com/ePC/start.do>

- Select a State: Georgia
- Select District: Fulton Co School District (not the cluster)
- Select your school name: Spalding Drive Charter
- Check the box beside "Remember My Organization" to prevent the need to repeat the first three bullets when accessing the site on that computer
- In the next box type: Kindergarten student type spaldingk  
First Grade student type spaldingfirst  
Second Grade student type spaldingsecond  
Third Grade student type spaldingthird  
Fourth Grade student type spaldingfourth  
Fifth Grade student type spaldingfifth
- In the final box type: tigers
- From the home screen click on **Library**
- Then click on the picture of the textbook

If you have any trouble logging onto this site please email me.
