

Harriet Tubman Elementary 2009-2010 Uniform Policy

Harriet Tubman Elementary has adopted a uniform policy for all students for 2009-2010. This initiative, sponsored by the PTA, is strongly encouraged for each and every student who will attend Harriet Tubman Elementary in 2009-2010 school year.

Uniforms have been shown to have a positive affect on student behavior and achievement. We look forward to working with families next year to make Harriet Tubman the best school it can be.
