Mail to Cheryl Hampton Bohm, 6890 Hunters Knoll, Sandy Springs, GA 30328

All donations are tax-deductible.

# *Friends of* WOODLAND E L E M E N T A R Y

August 2011

Dear Woodland Elementary Parents and Supporters,

The Friends of Woodland Foundation is a wonderful way in which you may support our school programs. Our students have already received the benefits of new playground equipment, audio-visual equipment, musical instruments, science lab materials, technology software, and much more. ***A monetary gift to the foundation this year will provide our students and teachers with additional Smart Boards, LCD projectors, and wireless mobile computer labs.***

Friends of Woodland is a 501(c) (3) non-profit foundation. As such, your donation is vital to secure larger gifts and matching gifts from both businesses and foundations. If you work for an organization that matches your gifts to educational institutions, please remember to enclose a completed matching gift form. Every dollar benefits not one child but many.

Say thank you to your favorite Woodland staff members in a way that will make them proud. ***Make a donation in any of your favorite educators' names, and you're not only helping the school, you're enhancing your child's education.***

No gift is too small and it will continue to give our children the enhancements that make our school an award winning success. The Friends of Woodland would like to thank you for investing in our students and our educators, and being... a friend to Woodland.

Thank you for your support,

Cheryl Hampton Bohm, Chair
