

SuccessMaker at Home

Woodland Elementary Charter School is using an educational software product from Pearson Digital Learning called SuccessMaker Enterprise. Pearson Digital Learning is the largest educational software company providing products and services to K-12 schools around the world.

SuccessMaker is an instructional software program correlated to the Georgia curriculum in reading, language arts, and mathematics.

SuccessMaker

For the child:

- Adapts to students diverse learning styles
- Meets students at their individual level
- Challenges students to achieve their highest potential
- Tracks student performance toward success on the Georgia CRCT.

For the teacher:

- Assesses individual student performance
- Pinpoints each students strengths and weaknesses
- Reports instructional needs for every child
- Focuses and guides instructional planning

Why SuccessMaker at Home?

- Extends the learning day
- Promotes data driven decision
- Increases opportunities for your child's success

To ensure the success of your students, we ask that you agree to the following guidelines:

1. Parents will monitor student performance and session times as determined by the school and parent.
2. Parents will be responsible for the care of the software CD's and will return any CD's to the school prior to moving or leaving the area for an extended time.
3. Parents will communicate via email any technical issues their child experiences with the use of SuccessMaker At-Home.
