In addition, the orchestra participated in many community-related performances including performances at the malls, assisted-living centers, hospitals, churches, bookstores, company banquets, hotels, conference centers, weddings, etc...

GENERAL INFORMATION

Description of Orchestra Classes:

The Centennial High School "Chamber Orchestra" is a performance group comprised mostly of upper classmen. The students are selected based on talent, skills, and achievement, with the understanding that there will be out-of-school performances and rehearsals required of all members during the school year. The students are eligible to be a member through auditions and with the approval of the Director. The course will cover the mechanics of string instruments: note reading, rhythm, pitch discrimination, expression, and music literacy at a higher level. Students receive one hour elective credit for all music courses.

The Centennial High School "Philharmonia Orchestra" is a performance group comprised of 9th through 12th grade students. The students are selected through auditions and/or with the approval of the Orchestra Director. The students are selected based on talent, skills, and achievement, with the understanding that there will be out-of-school performances and rehearsals required of all members during the school year. The course will cover the mechanics of string instruments: note reading, rhythm, pitch discrimination, expression, and music literacy at a higher level. Students receive one hour elective credit for all music courses.

Additional Ensembles:

Centennial High School Symphony Orchestra :

This is a full-orchestra that includes students from strings, winds, and percussion. The wind and percussion students in this orchestra are a group of selected students from CHS Band through auditions and/or recommendation from the Director. The Centennial High School Symphony Orchestra usually rehearse once a week in the evenings and sometimes during class.

Chamber Strings :

Chamber Strings is a selected ensemble that comprises members of the Centennial High Orchestra that performs in special, smaller ensemble settings. The students are chosen based on their musical skills, dependability, and the commitment for success. The members of the Chamber Strings will sometimes be asked to perform at functions with a short notice; therefore, the students must be flexible. Additional rehearsals may be required.

Other String Ensembles (String Quartet, etc...):

All students are encouraged to participate in small chamber ensembles, such as string quartets, quintets, trios, etc.... The students' musical understandings and appreciation about the composers and their work will be much enhanced through the performing of chamber music.

The students will benefit much both musically and socially by participating in small ensembles. The students will generally rehearse before and/or after school.

Purpose

Our Orchestra's purpose is to:

- Serve the school and community through quality concert performances
- Furnish members with an invaluable experience in music as an art form.
- Develop individual responsibility and self-discipline.
- Further school spirit.
- Encourage and develop leadership and teamwork.

GRADING SCALE

The grading scale and quality point values for final semester grades are as follows:

<u>Letter Grade</u>	<u>Numerical Grade</u>
A	90 - above
B	80 - 89
C	70 - 79
F	Below 70
W	Withdrew (numerical grade is used for 1 to 100)/Pass or Fail
NG	No grade (no transfer grade or on roll less than 20 school days in the grading period)
INC	Incomplete

RECOVERY POLICY at Centennial High School

Opportunities designed to allow students to recover from a low or failing cumulative grade will be allowed when all work required to date has been completed and the student has demonstrated a legitimate effort to meet all course requirements including attendance.

Students should contact the teacher concerning recovery opportunities. Teachers are expected to establish a reasonable time period for recovery work to be completed during the semester. All recovery work must be directly related to course objectives and must be completed ten school days prior to the end of the semester. Teachers will determine when and how students with extenuating circumstances may improve their grades.

ADVANCED ORCHESTRAS ("Chamber" & Philharmonia")

An orchestra member's semester grade will be derived from rehearsal and performance attendance (35%), playing and/or written tests (25%), classroom participation (25%), final exam (15%), and Homework (5%).

Grading for Festival preparation during the 1st/2nd semester for the Advanced Orchestra class involves individual check-offs on each of the ability to accurately perform 90% of each selection in order to participate in the festival. First chair at 100%.

Course Material/Method Books

The students will be exposed to music of all genre and styles.

In addition to many different types of music that they will perform in class, the students will also use supplemental books throughout the course of the year, depending on their ability and progress. Listed below are some of the supplemental books which will be used throughout this year:

Advanced Techniques for Strings
Essential for Strings
Essential Elements 2000 for Strings
Harmonized Rhythms

Replacement of each book is \$7.

Testing

Playing tests and check offs will be given regularly by Director. A numerical grade will be assigned after each test. Written tests will be given throughout the semester.

Homework

The students' grade will be lowered when homework is turned in late—one letter grade lowered per/day. All students are responsible in learning music and completing all written/oral homework. All students will be responsible for numbering the measures in his/her music within 3 days of issuance. This is not to be done during class. The section leaders will check parts and report failures to the Concertmaster (mistress).

Attendance Policies for Performance and Rehearsal

Orchestra members shall regard performance as their primary purpose for belonging to this organization and shall make every possible effort to be in attendance unless there is an emergency situation.

Students are expected to be present at all rehearsals and performances in order to receive full credit and remain in good standing with the Orchestra. Situations may arise for not attending an orchestra activity. Students should contact the Director with an acceptable reason prior to the activity (a written note- at least one day in advance) to avoid any grade penalty. The Director reserves the right to excuse or not excuse each absence depending on the situation at hand.

A personal illness and death in the family are considered emergency situations. A written explanation should follow.

An absence from a final rehearsal could result in a student not being allowed to perform with the orchestra for the upcoming performance(s). Unexcused absence from a public performance could result in dismissal from the Orchestra and/or lowering of grade and receiving demerits

Dismissal

The Director reserves the right to remove a student from organization for:

- An unexcused absence from a performance
- Use of drug or alcoholic beverages while representing the Orchestra or Centennial.
- Continued failure to demonstrate a cooperative behavior and attitude

Parents shall be notified immediately regarding the above circumstances for dismissal. Students dismissed from performing organizations shall continue to function in daily class until the end of the semester. He/she will have an alternative assignment during that time. A grade will be assigned based only on class work/assignment and participation.

GMEA In-Service Performance-Related Information

It is an honor to represent our Centennial High School, Fulton County Schools system, and this particular community at this annual music teachers' conference in Savannah, Georgia this year. The students will have a wonderful opportunity to experience music at this particular event. Thus, it is my intention to take all advanced orchestra students to GMEA In-Service Conference. However, the students may not be allowed to participate if the students fail to adhere to Centennial High School Orchestra rules and expectations. Some of these expectations include:

- a) Attend regular rehearsals and performance
- b) Learn his/her given music
- c) Respect teacher and fellow students
- d) Fulfill his/her financial obligations--including orchestra activity fees and trip fees

Tardiness to Class:

Students are expected to be in class before the bell rings. The students need to understand the nature of our class in which much preparation (such as tuning/warming up, getting music, instrument, etc.... prior to actual class instruction) needs to take place.

Tardiness will not be tolerated in this class. A telephone call will be made to parent if the student is tardy more than once per semester. Tardiness can count toward the loss of school privileges as well as deduction towards student's classroom participation grade. Students must also serve private detentions.

The student may also be demoted to lower chair.

Please Do Not Be Late to class!!!

INDIVIDUAL PROGRESS

Chair Assignment

Students will be assigned seating and parts in their section according to their demonstrated playing ability during auditions.

Section leaders and assigned parts will be determined following these auditions. Section leaders will assist other students in learning the assigned music.

First stands shall make every effort to be at all rehearsals and be in their seats before rehearsal begins. The first stands should be one of the first persons to learn the music. Failure to learn quickly will result in demoting to lower seating.

Seating Auditions for “Chamber” and “Philharmonia” Orchestra

Students will play two assigned scales and arpeggios of three octaves (two octaves for string bass), prepared excerpt given by the director, and sight reading music.

Assigned scales:

Violins: **G** Major scale with arpeggio
A Major scale with arpeggio

Violas: **C** Major scale with arpeggio
D Major scale with arpeggio

Celli: **C** Major scale with arpeggio
D Major scale with arpeggio

Basses: **F** Major scale with arpeggio
G Major scale with arpeggio

Challenges

A student may challenge for a higher chair following a written request to the Director and informing the person being challenged. A challenge form will be used.

Current music and sight-reading may be used for challenges during the school year. A prepared solo will be used for initial audition only.

Challenges involving a change in part will not be allowed four weeks prior to a scheduled performance.

Private Lessons

Individual progress can be enhanced through private tutoring.

Orchestra members are encouraged to seek private instruction in order to improve their performing and contribute to the Orchestra's progress. Private Teacher List is found on the Centennial High School Orchestra website. The Director will assist interested students in contacting private teachers.

FACILITY AND EQUIPMENT

Director's Office

Students shall enter the Director's office only for official business. This area is off limits to all students except those engaged in work or meeting. Please do feel free to come in to the office to seek help/advice or discussions.

Students are requested not to interrupt during conferences. Office telephone may be used with permission.

Rehearsal Rooms (Orchestra Room/Auditorium/Band Room)

Each orchestra member shall assume the responsibility of picking his/her music, instrument, books, clothing, etc. and storing such items properly at the end of each rehearsal or performance. Any music and/or items left in rehearsal room and rehearsal areas may result in a lowering of student grade.

Food, drinks, gum, etc. are absolutely not allowed in rehearsal room and rehearsal areas (without permission). Beepers, pagers, and cell phones are also not allowed during rehearsals.

Chairs, stands, equipment must not be removed without permission.

All equipment must be stored properly on shelves or racks.

Computer Usage

The computers in the orchestra room can be used only by orchestra students and only with permission. The students are not to use the computers without Mr. Kim's permission. You must logout completely upon finishing your task.

Instrument Storage

All instruments must be properly stored in bins at all times when not in use. Instruments too large for shelving will be assigned in the auditorium storage area.

Storage bins are to be kept clean and free of litter and personal items.

Library

The librarians/helpers will assist students with all music needs. Students other than the librarians/helpers are not allowed to remove music or return music to library filing cabinets.

Lost Music Fines

Each orchestra member shall be issued with his/her name on it. Students not receiving issued parts shall immediately inform a Librarian in order to obtain it. All students will have their own parts at **ALL** rehearsals (**NOT JUST YOUR STAND PARTNER**).

Music damaged or lost will be paid for by the responsible person at the determined replacement rate.

CONCERT ATTIRE

Males:

Tuxedo with black bow tie, white shirt, black cummerbund
Black socks and Black shoes

Females:

Long black dress (to the ankle)
Black stockings with black shoes

Please contact Mrs. Linda Minnick or a parent volunteer if you have any questions regarding uniform.

- The uniform needs to be properly fitted and worn properly. Any student not properly dressed will not be allowed to perform until the problem is corrected.

MISCELLANEOUS INFORMATION

Instrumental Music and Athletics

Music students are encouraged to participate in any sport they choose provided rehearsals of the music group can be attended. The Director and Coach will try to work out a compromising schedule for the student. It is the student's responsibility to inform the Director and Coach of the situation.

Scheduling

Orchestra members who are confronted with scheduling problems should consult the Director for assistance.

Students who have earned first chair status in their respective primary ensemble sections must be enrolled in the regular scheduled class. Students need to be enrolled in the regular scheduled class to participate in performances. Exceptions are seniors who have unresolved schedule conflicts involving classes necessary for graduation and/or AP class conflict in which the director has approved for participation.

Parent Conferences

Parent conferences are encouraged as needed. Please feel free to contact the Director for an appointment.
